KINGS DOES MORE!

We've said it, now we're going to PROVE IT! You know it and we know food prices are rising rapidly! The Cost Prices to us are jumping upward so fast it is unbelievable! You've helped us grow into the largest group in Central Virginia. . . .So, it's our turn to return the favor. . . This we know

YOU'VE GOT TO EAT!

SO, rather than try to plan in advance what to advertise, we're going to wait i each KINGS MARKET until the last minute. . . . when we know exactly what ou costs will be and THEN WE ARE GOING TO SELECT 20 BASIC FOOD AND SUNDRIES that we know you need and Mark them down to cost plus 1¢

A GUESS WHAT SALE!

Now, we are calling this "A GUESS WHAT SALE" Because as of now we don't know what the items will be . . . .BUT, every item we select will be shown by a big "GUESS WHAT SALE?" Sign. If you don't see them, ask any employee to point them out to you.

20 ITEMS GOING AT COST PLUS 1

This much we want to point out. . . Naturally, we cannot select items that everybody likes to eat but you will find good basic meat items, good basic produce items, items that will give you and your family a balanced diet. . . . feed your pet. . . . and wash your clothes!

All plainly marked with a "GUESS WHAT SALE SIGN?"

Even when we are selling at close to cost you will still receive our famous "Red Carpet" service.

Thank you, Ralph King

Ends Six Week Visit

Mr. H. W. Coleman, on the right, of Route 1, Pamplin City, is shown above with his house guest for the past six weeks, André Pasquié, on the left.

André, a native of Toulouse, France, near the Spanish border, is one of 100 exchange students who, sponsored by the Lions Club in Pypenees, have been spending six weeks in the United States, 30 of them in Virginia and this fine young man has been spending six weeks in Appomattox County. With his host, Mr. Coleman, André has visited the Lions Club in Appomattox and the Ruritan Club.

Coming from the City of Toulouse with a population of 400,000, his visit in the "country" has been quite rewarding, according to André. Naturally he toured New York City when he arrived in the United States and the Colemans have taken him on tours of Appomattox Court House National Historical Park, Williamsburg, Richmond, Norfolk, Natural Bridge, Blue Ridge Parkway and many other historical places, but he also has learned to bale hay, learned a bit about tobacco crops and general farm work. Mr. Coleman says André has been an excellent house guest, always willing to try new foods and has introduced the Coleman family to some French foods and habits. In particular, they have enjoyed the white sweet wine that the French drink with their meals and goose liver, a favorite in France, that was sent here by Air Mail from André's parents.

André is the twenty year old son of a French surgeon and he has three sisters, the older sister is presently studying medicine. With 20 years of French, 6 years of Greek, 8 years of Latin and 7 years of English, André is studying International law with the ambition of going with the Common Market. He will be attending school for six more years.

On Friday, August 24th,André will be leaving Pamplin City thus ending his six-week visit with the Colemans. When we asked how he liked the United States he quickly answered, "Very fine".

Legion To Meet Monday Night

The American Legion Post 104 of Appomattox will hold its first regular meeting of the new year on Monday night, August 27th, at 7:30 p.m. at the post home.

All members are urged to attend this meeting and are reminded that the dues for 1974 should be paid now.

CHEERLEADERS TO SPONSOR CAR WASH

The Appomattox Varsity Football Cheerleaders are sponsoring a car wash Saturday, August 25 at Fidelity Branch from 12:00 until 4:30. Cost per vehicle will be $2.00. Proceeds go towards new uniforms.

Men's Golf Championship Tourney Set For Labor Day

The Golf Activities Committee of the Falling River County Club would like to remind all members that the closing of the register for the Club Championship golf event is drawing near.

All members interested in participating in this tournament are urged to register as soon as possible thus assuring themselves a starting position.

A maximum of 128 members (minimum age 14 years) can participate and the course will be closed to regular play during this Labor Day week end, Sept. 1, 2 and 3.

Daniel Held Workshop Here Friday

Congressman Dan Daniel, representative for the Fifth District, made his first visit to Appomattox on Friday, August 17th.

The Congressman was at the Appomattox Court House from 9 a.m. until 11 a.m., holding the first of his regularly scheduled workshops for the counties of Appomattox, Buckingham and Cumberland.

In the picture above, left to right, are Watkins Abbitt, Jr., Manager of the Congressman's Farmville office; Beck Hudson, News Editor of the **Times-Virginian**; Congresman Daniel; and Beth Johns, secretarial employee in the D.C. office.

Congressman Daniel has been holding sessions of this kind on a periodic basis since he came to Congress in 1969 for the purpose of making himself available to see any constituents who have a problem or wish to discuss any matter over which the Congress has jurisdiction. The session in Appomattox on Friday morning was well attended and Daniel expressed pleasure with the turn-out and with the wearm welcome he received from consitutents in this county. He plans to hold another workshop in Appomattox County as soon as is convenient with his schedule. The workshops are usually planned when Congress is in recess as Mr. Daniel feels that when Congress is in session he should be in Washington.

Lions Ladies Night Set For Tonight

The Appomattox Lions Club will have their annual Ladies Night Cookout tonight, Thursday, at the Woodmen of the World Building beginning at 6:45 p.m.

Each Lion is urged to bring his Lioness or other guest, a fork, a steak knife, spoon and a good appetite.

R.E. Lee Academy To Open August 29

School Board Announces Cut In Title I Program Funds

Two-Day School Staff Workshop Held

A two-day staff workshop for Appomattox County Public School was held at the School Board Office on Monday and Tuesday of this week for the purpose of receiving ideas and developing tentative plans for continued work in various areas.

Shown above, seated from left to right, are Mrs. Jean Hesson, General Supervisor; Mr. Robert J. Williamson, Assistant Principal Appomattox Intermediate School; Mr. Richard B. Carter, Director of Vocational Education; Mr. Lloyd G. Walton, Division Superintendent; Mr. Frank Chichel, Administrative Assistant; Mrs. Patricia Torrence, Principal Appomattox Primary School; and Mrs. Barbara Waddell, Principal Pamplin Elementary School; and standing, left to right, are Mr. John McLean, Assistant Principal Appomattox County High School; Mr. Cecil B. Tillery, Jr., Principal Appomattox County High School; and Mr. Daniel W. Davis, Acting Principal appomattox Intermediate School.

Tentative plans discussed for continued work included lesson plan procedures; roles and responsibilities of personnel; full implementation of Standards of Quality as related to schools; accounting system for schools; instructional supervision and assistance to teachers; textbook rental system; School Board policies and regulations; county philosophy and objectives; and Principal-Supervisor working relationships.

Only Two Schools Will Participate

The Appomattox County School Board has announced that it received notice this week that the Title I application for 1973-74 has been tentatively approved for $83,433.00. This is a reduction of approximately $40,000.00 compared with the 1972-73 program.

Because of this reduction the Teacher Aides in the program will be reduced from 24 to 12 and other teaching materials and special services will be reduced.

Only two schools in the county will participate in the Title I program for 1973-74. Those schools include grades 1, 2 and 3 of the Pamplin Elementary School and the Appomattox Primary School. There will not be any Title I activities at the Appomattox Intermediate School for the coming session.

The program will concentrate on improvement of reading and mathematics skills for children in the first, second, and third years of school who are identified as educationally deprived in these skill areas.

The teacher aides will assist classroom teachers in providing appropriate classroom experiences to assist those children who are included in the program.

The reduction in funds for the Title I program resulted from a reallocation of funds based on the 1970 census. Many rural divisions received less money and urban areas received a sizeable increase in funds.

A detailed report regarding school lunches will appear in the August 29th issue of this paper.

Why Buy A Calendar?

Why buy a calendar when many businesses will give you one just for the asking? Why not buy a calendar when it will give you a chance to help your community? The proceeds from the WOW Community Birthday Calendar Project are used by Camp 71 to support organizations throughout our county such as our fire departments and rescue Squads. Then as a plus you get a calendar already marked with the dates you want to remember. There will be no reason to forget that anniversary or birthday because you can have it listed right on the calendar. And many of your neighbors and friends will also have their important days listed. You will find that children really enjoy finding their names listed on the calendar under their birthdate. You also have an opportunity to receive gifts and discounts from participating businesses on your birthday by having your name listed on the calendar.

The meeting dates of many clubs and organizations are also listed on the calendar for your benefit.

Many members of Woodman Camp 71 will be going throughout the county in the coming week to offer you the calendar and to ask for your support. For $2.00 you can receive the calendar and have the important dates for your family listed. If you are not contacted within the week, please call 352-7766 and place your order for the community birthday calendar.

Help your community and receive a nice gift yourself by purchasing the Woodman of the World Community Birthday Calendar.

Physicals Set For Girls Participating In Varsity Sports

Physicals for all high school girls interested in participating in any Varsity sports program will be held on Wednesday, August 29th, in the high school gym.

If you are interested in playing any sport during the 1973-74 school session, please be present at the appointed time and place.

Don Horne

Appointed DE-ICT Coordinator

Don Horne has been appointed Distributive Education - Industrial Cooperative Training Coordinator for Appomattox County High School, according to an announcement from the Appomattox County School Board.

A native of Smithfield, Virginia, he received his B.S. degree in Distributive Education from Old Dominion University, Norfolk, in 1973. He assumed his duties with the local school system effective August 6th.

Mr. Horne will be in his office at the high school each week day from 9 a.m. until 1 p.m. and asks that all DE-ICT students stop by as soon as is convenient to meet with him in order to plan for employment during the 1973-74 school session. "I am glad to be in the community", Horne said, "and I look forward to meeting the people and working with local merchants".
